Subject: Isolation

Lizelle

The isolation installed at 430 Albert Street refers.

I would just like to let you know that I am extremely happy with the professional manner in which the job was done.

Over the years, I have had many contractors at my home for various improvements and, sad to say, in many cases, have experienced service problems. It certainly has been a very positive experience dealing with your company – from the quotation stage right through the installation.

Thanks again and I wish you all the best in growing your business in future.

Sincerely

Louis Heyns
