Hi Louleen.

I have just made the necessary payment from my Std bank account and it will reflect in a day or two.

I really want to compliment you and your team for outstanding service starting from you on the phone right through to the actual team that did the installation.

Your installation team are very polite and professional and they represent your company well.

I have also attached our company profile in case you or anyone you know may need our services.

Kindest Regards

Philip Reynolds
